NONCOMPLIANCE SUMMARY

The offender has not complied with the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
1	On June 15, 2011, the offender entered into a community corrections center (Toler House). On December 2, 2011, the offender was discharged from the facility as a program failure. During his residency, the offender was reprimanded for smoking where prohibited, displaying insolence towards staff, failing to secure employment in a timely manner, interfering with count, possessing a cell phone on two separate occasions, and returning to the facility after his curfew in two instances.

U.S. Probation Officer Action:

While the probation office is discouraged by Felder's noncompliant behavior at Toler House, we are hesitant to jeopardize his employment (which is a positive stride for him) without an opportunity to work with him further to gain compliance. We plan to provide him with a life skills home study workbook designed to teach cognitive skills to minimize faulty thinking and self-defeating behaviors. We will work with Felder to ensure he completes the assignments in the workbook. If Your Honor agrees with our plan, the probation office will also present a copy of this order to the offender as a formal written reprimand. We will advise the Court of any additional noncompliance.

Respectfully submitted,
Maureen Kelly _____
